

Dear

As some of you know, on April 30, 2017, I suffered a brain aneurysm rupture that came very close to ending my life. With the help of my surgeons, nurses, neurologists and the love of family and friends, I continue to make a miraculous recovery. Since that day, I have learned the importance of raising awareness of this treatable disease so that others do not have to go through what I and my family went through . . . and we are the lucky ones.

This is why I am contacting you on behalf of my partners at the Brain Aneurysm Foundation. The foundation is the globally recognized leader in brain aneurysm awareness, education, support, advocacy and research funding. Not to mention they have supported me, Heather, Thomas and Grace throughout our journey.

It is estimated that **1 in 50 people** in the U.S. will develop a brain aneurysm during their lifetime. Brain aneurysms are a silent killer because they often present with no prior symptoms or like me whose symptoms are often ignored or misdiagnosed. The statistics after a brain aneurysm ruptures are grim: of the **30,000 people that suffer a rupture** each year, almost half of the victims will die and of those surviving, only a third will recover without disabilities. **Brain aneurysms can occur in anyone; at any age.**

A brain aneurysm ruptures every 18 minutes! To help raise awareness and funds to combat this devastating disease, on **Friday, September 27, 2019, the First Annual Tinlin Family 18 for 18 will be held at the William J. Devine golf course in Boston, MA** to benefit the Brain Aneurysm Foundation.

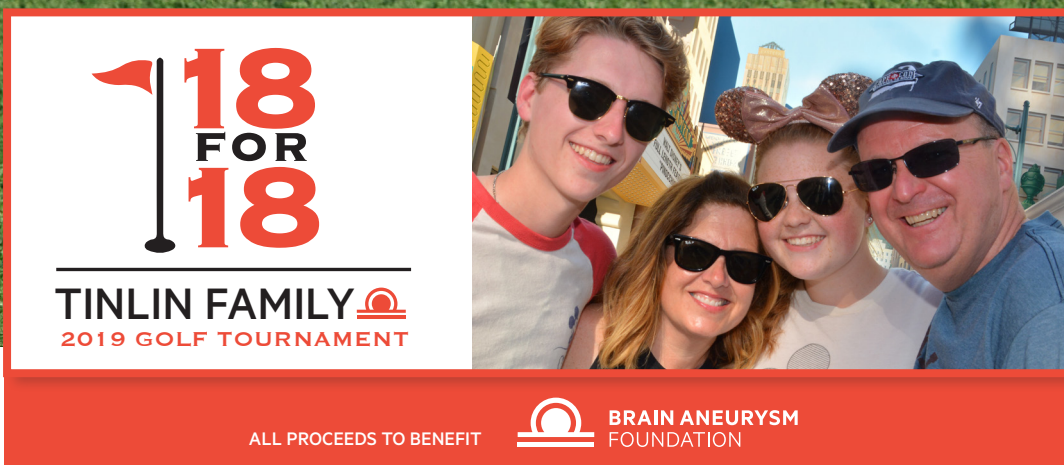

Please consider joining our fight by providing a sponsorship and/or donation. Please see the attached.

The Brain Aneurysm Foundation has a tax-exempt status as a public charity under section 501(c)(3) of the Internal Revenue Code. The tax ID # is 04-32-43864.

With your support, we can continue to help fight the devastation caused by brain aneurysms and save lives right here in our community. Thank you in advance for your consideration and contribution to this special event.

Sincerely,

Thomas J. Tinlin
