2nd Annual 1in50 Campaign to Fund Research

Join our 2nd Annual 1in50 campaign! We want to share your photos on social media to help raise money for our 2nd Annual 1in50 Chair of Research. The money raised will fund basic scientific research directed at early detection, improved treatment modalities, and technological advances that will ultimately improve outcomes for patients with brain aneurysms. Help us decrease the 1 in 50 odds by increasing awareness! Let us know if you are 1 in 50, honoring a loved one, or what state you are decreasing the odds in. Join the campaign [here](#).

Support in the Summer

Everyone enjoys a break for the summer, but you can still connect with our support groups at many locations across the US and Canada. Summer may be a good time to pause from day to day activities but many still need that extra word of encouragement, share a thought or connect with other brain aneurysm patients. Many groups still meet during the summer; click [here](#) to find a meeting near you. Or, visit our [Patient Resource](#) page for online support.
