

How to Set Up Zoom Access

Brain Aneurysm Support Group ID: 876-771-036

Smart Phone or Smart Device user (iPad, iPhone, Android):

*Download the Zoom app in AppStore or Google Store. Search for Zoom Cloud Meeting and find the icon that resembles a recorder. Download to install the app.

*Click join meeting, enter your first name and the zoom meeting ID provided above.

*Select Join and immediately Mute microphone. You can use the “Chat” option to ask a question, by typing it in the box.

*When the support group ends, select “Leave Meeting” to end the session.

By Computer:

Type in **zoom.us/join** in your web browser. Enter the zoom meeting ID provided above:

You can either:

“Join by Phone Call” where a phone number and meeting ID will be provided.

Or:

“Join by Computer Audio” which will allow you to listen from your computer speakers.

*Select Join and immediately Mute microphone. You can use the “Chat” option to ask a question, by typing it in the box.

*When the support group ends, select “Leave Meeting” to end the session.
