

The Brain Aneurysm Foundation Research Grant Program Frequently Asked Questions (FAQ) Deadline: June 3, 2020

What is the project's start date?

For budget purposes, the project start date is November 1. Grant recipients will receive their check in the mail a few weeks after the research grant symposium.

Does the PI have to be a U.S. or Canadian citizen?

No, the applicant/PI/mentor does not have to be a U.S. or Canadian citizen; however, the research must be conducted in the United States or Canada.

Can a PI submit more than one application per grant cycle?

Yes. There is no limit on the number of applications that a PI and/or an institution can submit per grant cycle.

Does a PI have to request the total \$50,000?

No, \$50,000 is the maximum amount that can be requested per fiscal year.

Who can receive salaries from the grant?

Any person working on the proposed project can receive a salary from the grant. The amount is left to the PI's discretion.

Is there a page limit for the Project Description section?

Yes. Please do not exceed 3 pages, single spaced limit.

What can be included in the appendix?

The appendix can include any material the PI believes will support the proposed research project. This includes charts, graphs, figures, manuscripts, letters of support, etc.

Will the PI get confirmation that the BAF received the application?

Yes. The PI will receive an e-mail notifying receipt of their application.

When will the PI find out if the project was funded or did not receive funding?

PIs will be contacted in August 2020 via email or phone if they are an award recipient. Inquiries on application status can be made by calling Christine Buckley at the Brain Aneurysm Foundation office at 1 888 BRAIN02.

Will the PI receive any feedback if they do not receive funding?

Yes, once the award recipients have been contacted, and email from the Brain Aneurysm Foundation will go out to all applicants on the status of the funding for the current year.

What are the procedures if there are changes in the budget, staff, etc. after the grant has been awarded?

The Executive Director, Christine Buckley, must be notified in writing of any changes in the project's budget, staff, etc. to determine the significance of any such change.

What are the procedures if the PI moves the research project to a new institution?

The Executive Director, Christine Buckley, must be notified in writing immediately. Letters requesting and authorizing the move must be submitted from the previous institution, the PI and the new institution, respectively. The request will receive immediate attention.

If your question was not answered here, please contact Christine Buckley at christine@bafound.org
